

Municipal Code of the Town of Lessor
Chapter 8.02 Ordinance 2-02

The Lessor town board, Shawano County, Wisconsin, ordains as follows:

- 1) Code. This ordinance accompanies and introduces the code of ordinances in book form entitled "Municipal Code of the Town of Lessor" (whether or not the individual notebook holding the ordinances has such title).
- 2) Notice. This code has been present at the town hall and/or with the clerk for two weeks before passage of this ordinance, namely since September 24, 2002. This code is adopted in accordance with the procedure authorized in Wisconsin Statute s. 66.035.
- 3) Repeal. This code continues enforcement of many ordinances enacted previously by the town's board. It is a complete listing of such ordinances. Any regulatory ordinance not included herein is considered repealed. However, if any procedural ordinance without penalty exists not included herein, that procedural ordinance would continue in place unless specifically repealed.
- 4) Severability. Many of the individual ordinances contain severability clauses. For the code as a whole, in the event any court declares an ordinance or part thereof as invalid, unconstitutional, or unenforceable, all remaining portions or ordinances shall remain in full force and effect that are not inconsistent with such court decision.

Passed October 8, 2002

Vote for: 3 Against: 0

Delmar Zernicke, Chairman
